Have you staked your claim yet? The rush is on so come and stake your claim at **Mother Lode Model Railroading!** Several new collections have arrived in the last month, and we have been busy making new discoveries at the Mother Lode!

We are located about half a mile East of I25 and the County Line Road Exit at **14 Inverness Drive East, Suite A140 in Englewood, CO 80112.** We are also happy to accommodate guests by appointment most weekdays. Simply call Dan Raap at (303) 819-2937 to schedule a visit and private prospecting experience. There are always new areas to explore in the mine each time you visit!

Come and check out the latest collections we have acquired. We have something for everyone and in all major scales from Z to G and even Fn3! We have some beautiful O Scale “Built-Up” Models featuring Northern Pacific and some outstanding O Scale Brass! We also have Narrow Gauge! Dozens of new Walthers Cornerstone Series structure kits and we have craftsman building hits in N, HO, S and O Scale to choose from! All inventory is on-sale when purchasing direct. We accept most major credit cards, PayPal, Cash or Check.

Check us out online at www.ebay.com/str/motherlodemodelrailroading to get a feel for what we have and remember that we have so much more to see and select from in person!

Mark your calendars for our future mining hours and please tell your modeling friends and club-mates!
