You'll welcome winter warmly in a handsome coat made from Wonderful Worumbo Woolens! It is their nature to be elegant—to the eye and to the touch—nothing less than fabric perfection.

JACOB SIEGEL CO. tailored his coat, "Regis-Rex", from Worumbo's magnificent camel's hair* fabric. MONARCH fashioned her slim princess coat of Worumbo's "Valquil" — *Worumbo takes only the special sort of Bactrian camel's hair underdown. This fine quality has an undercurrent of rich bloom, only brought out by Worumbo's many years of producing such dense, such even, such long-lasting fabric beauty
