

MOTHER LODE Prospecting Hours – SPECIAL DATE - Saturday, June 20th –

8 AM – 12 Noon

14 Inverness Drive E, Suite A 140 Englewood, CO 80112

Please note, our June 20th Prospecting Open House will be one week later than normal due to the Sherman Hill Train Show in Cheyenne which we are attending the prior weekend! All other times this year remain 8 AM – 12 Noon!

We are still in the process of absorbing more than 2800 pieces of rolling stock and over 300 locomotives from SW Missouri last month and we will be unveiling a new collection both in Cheyenne and on June 20th which is just arriving from Wyoming. We are excited about what this collection will be in HO Scale! We also had a nice sized stocking order arrive from Durango Press this week and we have some more built-up structures in HO and some very nice new PBL Locomotives in Sn3! In July, get ready for some fabulous Narrow Gauge items in all scales as we travel to AZ for several pick-ups!

We are located about half a mile East of I25 and the County Line Road Exit at **14 Inverness Drive East, Suite A140 in Englewood, CO 80112**. *We are also happy to accommodate guests by appointment most weekdays.* Simply call Dan Raap at (303) 819-2937 to schedule your prospecting experience. There are always new areas to explore each time you visit!
